The awarding bodies offer the following Post Results Services.

**Service 1 (Clerical re-check)** This is a re-check of all clerical procedures leading to the issue of a result. *Candidate consent is required.*

**Service 2 (Review of marking)**

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. The service is available for externally assessed components of a modular, unitised or linear specification. **It is not a re-marking of the candidate's script.** *Candidate consent is required.*

**Priority Service 2 (Review of marking)** This is a priority post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. **It is not a re-marking of the candidate's script.**

The service is available for externally assessed components of both unitised and linear GCE specifications.

It is only available if a GCE A-level candidate's place in higher education is dependent on the outcome. *Candidate consent is required.*

**Service 3 (Review of moderation)-**

This is a review of the original moderation to ensure that the assessment criteria have been fairly, reliably and consistently applied. It is not a re-moderation of candidates' work. *Candidate consent is NOT required.*

If a centre is concerned about the marking of a centre cohort see JCQ Post Results Service Booklet Point 4.7 page 13.

## Clerical re-checks, reviews of marking and Appeals

### Candidate consent form

#### Information for candidates

The following information explains what may happen following a clerical re-check, a review of marking and any subsequent appeal.

If your school or college submits an application for a clerical re-check or a review of the original marking, and then a subsequent appeal, for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with the clerical re-check or review of marking, you **must** sign the form below. This tells the head of your school or college that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.
