Relationships and Sexuality Education Model Policy

1. Introduction

1.1 Statement by the Governing Body

1.1.1 The governing body of YSGOL BRYNHYFRYD adopted this policy on OCTOBER 5TH 2023. This policy will be reviewed by the governing body in two years to ensure the policy is in alignment with the latest Welsh Government guidance and statutory regulations.

1.2 Introductory Statement

1.2.1 RSE has a positive and empowering role in learners' education and plays a vital role in supporting learners to form and maintain a range of relationships, all based on mutual trust and respect which is the foundation of RSE. These relationships are critical to the development of emotional well-being, resilience and empathy. An understanding of sexuality with an emphasis on rights, health, equality and equity empowers learners to understand themselves, take responsibility for their own decisions and behaviours, and form relationships that are fully inclusive, reflecting diversity and promoting respect.

1.2.2 Our RSE will support learners to develop the knowledge, skills and values to understand how relationships and sexuality shape their own lives and the lives of others. Learners will be equipped and empowered to seek support on issues relating to RSE and to advocate for themselves and others.

1.2.3 The school will ensure that RSE is embedded in the school's values, rights and moral framework e.g. by showing respect for all learners, staff and the wider community, by celebrating differences, building healthy relationships and inclusion of sexual diversity.

2. Aims and objectives

2.1 Aims

2.1.1 RSE has a positive and empowering role in learners' education and plays a vital role in supporting them to realise the four purposes as part of a whole-school

approach. Helping learners to form and maintain a range of relationships, all based on mutual trust and respect, is the foundation of RSE. These relationships are critical to the development of emotional well-being, resilience and empathy. An understanding of sexuality with an emphasis on rights, health, equality and equity empowers learners to understand themselves, take responsibility for their own decisions and behaviours, and form relationships that are fully inclusive, reflecting diversity and promoting respect.

2.1.2 The aim of this policy is to ensure that our school fulfils the important role it has in creating a safe and empowering environment that supports our learners' rights to enjoy fulfilling, healthy and safe relationships throughout their lives. This is critical to building a society which treats others with understanding and empathy, whatever their ethnicity, social economic background, disability, or sex, gender or sexuality.

2.2 Objectives

On adopting this policy our school will have: -

- 2.2.1 An developmentally appropriate scheme of work based on learner consultation, that is regularly evaluated and reviewed
- 2.2.2 Have confident and competent staff to deliver the scheme of work
- 2.2.3 Embedded RSE using a whole school approach into the school's ethos

3. Legal context

3.1 Welsh Government RSE Code

3.1.1 The Welsh Government RSE Code contains the mandatory requirements. The teaching and learning within our whole school RSE programme encompass the mandatory elements outlined within the Code. Our school has therefore planned and developed a comprehensive, inclusive, developmentally appropriate whole school teaching and learning programme for RSE which conforms with the Code. This policy details our whole school approach to RSE.

3.2 Right to Withdraw

3.2.1 RSE is a mandatory requirement in the Curriculum for Wales 2022 for all learners. It is specified within the RSE Code that there is no right to withdraw learners from any part of RSE. However, as the new curriculum is phased in, some learners may still be withdrawn from RSE pending the roll out of the new curriculum.

To ensure we are in alignment with the mandatory status of RSE for our learners, from September:

- 2022: RSE will be mandatory for Year 7
- 2023: RSE will be mandatory for Year 7 and 8 learners
- 2024: RSE will be mandatory for Year 7, 8 and 9 learners
- 2025: RSE will be mandatory for Year 7, 8, 9 and 10 learners
- 2026: RSE will be mandatory for all learners.

7.1.7 To ensure that our whole school RSE curriculum is developmentally appropriate we consider a range of factors including learners':

- age, knowledge and maturity
- additional learning needs
- social, physical, emotional and cognitive development and needs
- needs of similar ages may differ.

7.2 RSE Provision through a whole school scheme of work

7.2.1 Our whole school RSE provision is detailed within a scheme of work document and it is available (Insert details of where to obtain the document). This document specifies how we manage, organise and embed RSE throughout our whole school curriculum in alignment with the progression steps within the Curriculum for Wales and the phases within the RSE Code. The resources used are selected for their suitability and are reviewed for their effectiveness following their use by teachers and the lead RSE member of staff.

7.2.2 Health and wellbeing support services for learners

Within our RSE provision learners will be informed of appropriate health, sexual health and wellbeing support services such as confidential advice, counselling and how to access treatment when necessary.

7.2.3 Answering learners' questions

Learners will have opportunities to ask confidential/anonymous questions when appropriate by using an anonymous question box. We view questions as a positive sign that learners are engaged with what is being taught and feel able to express natural curiosities about themselves, their bodies and relationships with others.
