Denbighshire County Council - Corporate Health, Safety and Welfare Policy Statement

Denbighshire County Council recognises its moral and legal duties with regard to Health, Safety and Welfare. The council will ensure, so far as is reasonably practicable, the health, safety and welfare of its employees whilst at work. It will also ensure, so far as is reasonably practicable, the health, safety and welfare of others who may be affected by its operations and activities.

As a responsible employer, we aim to comply with the requirements of the Health and Safety at Work etc. Act 1974, its subordinate regulations and approved codes of practice. We also aim to fulfil our common law duty of care.

We will:-

- Assess and adequately control the risks arising from our activities.
- Put in place appropriate safe systems of work.
- Consult with our employees on matters affecting their Health, Safety and Welfare.
- Provide appropriate information, instruction, training and supervision for our employees.
- Provide and maintain safe plant and equipment
- Maintain safe and healthy working conditions so far as is reasonably practicable.
- Endeavour to prevent accidents and cases of work-related ill health.
- Ensure safe handling, use and storage of hazardous substances.
- Ensure all employees are competent and capable of carrying out their work.
- Record accidents and incidents and report them to the enforcing authority where required by legislation.
- Monitor and review any systems we put in place for the purposes of Health, Safety and Welfare management.
- Apply consequences for non compliance to our agreed standards.

To ensure successful implementation of this policy, we will provide strong leadership and commitment from the very top of the organisation and throughout the management chain. We expect the same commitment from all our employees irrespective of what they do.

We will inform all employees of the expected standards and put in place a safety management system to support them.

We will strive to continuously improve our safety culture. This policy will be reviewed periodically.

Chief Executive

Denbighshire County Council

Ysgol Brynhyfyrd Health and Safety

Ysgol Brynhyfryd as a “Body Corporate” and an employer has a responsibility to comply with the Health and Safety at Work etc. Act 1974 its subordinate legislation and other statutory provision. There is also a moral duty to consider the wellbeing of its employees and others who may be affected by its operations and activities.

The school has a specific duty under the Act to prepare and as often as necessary revise, a written Health and Safety Policy and bring the Policy to the attention of its staff and others who may be affected by its operations and activities.

1) Organisation – Roles & Responsibilities

The following individuals and bodies, have specific duties and responsibilities regarding Health, Safety and Welfare for all school related activities.

1.1) The Local Authority (LA)

The duty to comply with the statutory requirements of the “Health and Safety at work etc.” Act 1974 lies with the LA. This overall duty cannot be delegated however some of the functions under the Act will be delegated to the Head Teacher and the Governing Body.

1.2) The Corporate Health and Safety Team – Denbighshire County Council

The Corporate Health and Safety Team (CH&S) in Denbighshire County Council (DCC) is the central resource in DCC for professional advice and guidance in relation to Health, Safety, Welfare, Fire Safety and Road Risk. The DCC Health and Safety team is available to provide a comprehensive advisory support service to schools on all matters relating to the Health Safety and Welfare of staff, pupils / students and others who may be affected by the schools activities. The responsibilities of this Service Level Agreement are:

- Support schools to help them keep people safe and comply with all current Health Safety and fire safety legislation.
- Provide information and support relating to any changes in schools related H&S regulations and standards
- Provide Health and Safety and driver related training for school staff, Governors and pupils / students where appropriate.
- Urgent support requests received within the service hours detailed above will be responded to promptly. Where practicable on the day of the request being made.
- Non-urgent support requests received within the service hours detailed above will be responded to asap and within five working days.
- Correspondence will be acknowledged in accordance with the Corporate Communications Policy.
- Produce an annual Health and Safety report that gives an assessment of compliance with statutory regulations. Audit and monitoring reports will be provided within 15 working days after completion of the activity. A draft copy will be provided for comment before the completed report is submitted.

- Where a site visit is requested or required it will be arranged for the earliest mutually convenient time.
- To review accident, injury and incident reports to ensure correct completion and report to the HSE as required.
- Urgent and immediate actions will be communicated to schools via a bi-lingual Newsflash as soon as reasonably practicable after being brought to our attention.
- Health and Safety Training supplied through the contract will be at no cost to schools.

1.3) Head Teacher and Governing Body responsible for the operational control of Safety, Health and Welfare Matters

The Head Teacher as the senior member of the school staff along with the Governing Body will identify the requirements for operational control for Health, Safety and Welfare matters. They will co-operate with the LA, Corporate Health and Safety Team and Business & Finance Support Team to ensure that the school complies with current Health and Safety legislation and its moral obligations. The Responsibilities are:

- To provide a focus for Health and Safety matters and co-ordination of the school Policy, including its formation and review.
- To ensure that adequate management arrangements exist for the school to comply with the requirements of Health and Safety Legislation and to maintain and implement its Health and Safety Policy.
- To ensure the allocation of adequate resources and time to maintain sound and efficient Health, Safety & Welfare Arrangements.
- To ensure effective communication & co-operation on matters of Health and Safety during all school related activities.
- To ensure that all members of staff identified within this Policy understand their specific Health and Safety responsibilities, and to make arrangements to monitor their performance.
- To ensure that each senior member of staff appoints other members of staff as necessary to assist in the arrangements for implementing Health, Safety & Welfare matters within their respective departments.
- To ensure that the Policy objectives are met and that the Policy is reviewed as appropriate to secure continued compliance with current and modified legislation.
- To ensure effective arrangements for accident, injury and incident reporting and investigation are in place.
- To understand the requirements of and ensure reporting to the HSE is carried out as required by the "Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995" (RIDDOR).
- To create and chair, a regular forum (Finance & Resources Committee) for the discussion of Health and Safety issues between management, staff and other interested parties.
- To seek expert advice on Health and Safety matters as may be appropriate.

- To ensure that recognised staff trade union representatives are provided with appropriate facilities and co-operation so that they may carry out their duties.
- To ensure that responsibilities for Health and Safety are set out clearly in job descriptions for their staff.
- To ensure that a robust system for carrying out risk assessments and ensuring the necessary control measures are in place.
- To ensure that all new staff are taken through Health and Safety induction training followed by refresher training at suitable intervals.

1.4) Business & Finance Support Team

The Business & Finance Support Team will co-operate with the LA, Head Teacher, Governing Body and the Corporate Health and Safety Team in Denbighshire County Council, to ensure that the school complies with current Health and Safety legislation and its moral obligations.

The responsibilities of this team are:

- To provide a focus for Health and Safety matters and co-ordination of the school Policy, including its formation and review.
- To liaise with the Head Teacher, Governing Body, Corporate Health and Safety Team and other senior members of staff to ensure that effective measures for Health and Safety are in place, including suitable and sufficient risk assessments, safe systems of work, procedures and other control measures.
- To ensure effective arrangements for accident, injury and incident reporting and investigation are in place.
- To seek expert advice on Health and Safety matters as may be appropriate.
- To provide termly Health and Safety tours around the school site with Head Teacher and members of the Governing Body.
- To provide termly Health, Safety and Estates reports to the Head Teacher and Governing Body.
- To ensure that a programme and written procedures exist that details the timescales and arrangements for inspection, audit and monitoring of the department Health and Safety systems. Please see **Appendix 1**.
- To ensure that all new staff are taken through Health and Safety induction training followed by refresher training at suitable intervals.

1.5) The Caretaking Team

The Caretaking Team is accountable to the Head Teacher and Business & Finance Support Team for ensuring that site security and general maintenance adheres to the rules, expectations and procedures in place for Health and Safety. The specific responsibilities are:

- Ensuring that the site is secure when opening and closing each day.
- Keeping all work areas, including boiler house, clean and tidy with no obstructions.
- Routine inspections of all tools and equipment to ensure they are fit for purpose, disposing of any that pose risks.

- Running hot and cold water services prior to the school re-opening after more than 5 days' closure.
- Promptly report any unsafe equipment or situations directly to the Head Teacher, senior member staff, Business & Finance Support Team or Building Maintenance Helpdesk if necessary.

For further information or guidance, please refer to the 'A Guide for Denbighshire School Caretaker' document, as is referenced on the contents page.

1.6) Heads of Department

The Heads of Department are accountable for ensuring that the necessary management arrangements within their department are in place and maintained, so that this Policy can be implemented. This will be achieved by developing and implementing, school specific procedures. The local arrangements will include methods of monitoring, reviewing and auditing the Health and Safety measures in place.

The specific responsibilities of this post are:

- If necessary ensure the appointment of a departmental Health and Safety CoOrdinator (Technician) who will co-ordinate and oversee all matters related to Health, Safety and Welfare for all school related activities within their department.
- To ensure that responsibilities for Health and Safety are set out clearly in job descriptions for their staff.
- To ensure that a robust system for carrying out risk assessments and ensuring the necessary control measures are in place.
- To ensure that a programme and written procedures exist that details the timescales and arrangements for inspection, audit and monitoring of the department Health and Safety systems.
- To ensure that all staff are provided with suitable & sufficient information, instruction and training to fulfil their duties safely, and are made aware of relevant safety rules & procedures.
- To ensure that effective injury & incident reporting is undertaken within their department and that procedures are in place for reporting hazards and defective equipment.

Designated Persons responsible for Departmental Policies;

- P.E – Ms Gwyneth Day
- D&T – Mr Iwan Davies
- Science – Mr Daniel Burke

For further information and guidance, please refer to individual Departmental Policies as is referenced on the contents page.

1.7) Departmental Health and Safety Co-Ordinator (Technician)

Individuals operating as Departmental Co-Ordinators (Technicians) will support the Heads of Department in fulfilling their responsibilities under Health and Safety legislation.

The specific responsibilities of this post are:

- Co-ordinate Health and Safety related activities within the department.
- Communicate to the Head of Department, department members and others as may be necessary, to ensure compliance with Health and Safety requirements.
- To assist in the co-ordination of risk assessments and in the development of procedures.

1.8) Teaching and Support Staff

Teaching and support staff are accountable to the Head Teacher for ensuring that rules and procedures in place for Health and Safety are interpreted and implemented correctly.

The specific responsibilities are:

- To ensure that activities carried out by employees or pupils / students will not create risks to other employees, pupils / students, members of the general public.
- To ensure that risk assessments are carried out and recorded and that suitable and sufficient control measures are put in place as a result.
- To ensure that the Policy, procedures and relevant rules and regulations are communicated to and readily available to all employees, pupils / students and others as may be necessary.
- To ensure that pupils / students understand instructions for Health and Safety and to monitor their compliance.
- To ensure that the Safety, Health and Welfare of pupils / students and others who may be affected by activities under their control is not put at unreasonable risk.
- Promptly report any unsafe equipment or situations directly to the Head Teacher or senior member of staff.

1.7) All School Staff

All staff **MUST** ensure that:

- They are fully conversant with the school Health and Safety Policy.
- That they co-operate fully with their employer to allow the school to meet its statutory duties.
- They undertake any Health and Safety training provided by the Head Teacher, Business & Finance Support Team or Corporate Health and Safety Team.
- That they take reasonable care of themselves and others who may be affected by their acts or omissions.
- Not to intentionally or recklessly interfere with or misuse anything provided in the interest of Health and Safety.

- All injuries, incidents, dangerous occurrences and near misses are immediately reported to the appropriate person.
- They are fully conversant with all Fire procedures applicable to the area they are working in.
- All equipment provided for personal safety shall be used in accordance with training received and is maintained in good condition for use with all defects being reported.
- They must use all work items provided by the school correctly and in accordance with training and instructions received.
- Promptly report any unsafe equipment or situations directly to the Head Teacher or senior member of staff.
- Check the classroom / work area and equipment is safe before use.
- Ensure that all classrooms / work areas are kept tidy and any unwanted items are disposed of.
- Store heavy items low down to reduce the risk of injury from falling or handling.

1.8) Trade Union Safety Representatives

Staff representatives representing the staff in their workplace regarding matters of Health and Safety at work, will consult and co-operate with the Head Teacher and others with specific Health and Safety responsibilities to help to promote and develop measures to ensure the Health, Safety & Welfare of their colleagues. Specifically they:

- Make representation to the Head Teacher or appointed senior member of staff on any general or specific matter affecting the Health and Safety of employees, pupils / students, parents, guardians, visitors, contractors or the general public in their workplace.
- Investigate in association with the Head Teacher or appointed senior member of staff and a Health and Safety specialist, any potential or actual hazards in the workplace and examine the causes of accidents.
- Carry out Termly safety inspections with the Head Teacher or appointed senior member of staff in accordance with an agreed programme.
- Represent employees in the workplace in consultations with officers of the Health and Safety Executive (HSE).

1.9) Pupils / Students, Parents, Guardians, Visitors, Contractors and Others

Every person has a legal and moral responsibility for Health and Safety because their actions or inactions may put themselves or others at risk. The duty of care that rests with all individuals will be clearly communicated throughout the school and during all activities. This message will be regularly reinforced and reiterated in a clear manner that identifies expected standards and methods of reporting issues. The following actions will also be undertaken:

- All pupils / students will be registered during the school day or sign in and out at main reception, as appropriate.

- All visitors and contractors are to sign in and out at main reception and wear an identification badge throughout their visit.
- All visitors and contractors will be given information, in the form of a leaflet (**Appendix 2**), explaining what is expected in terms of their Health and Safety responsibilities.

2) Finance & Resources Committee

A Committee made up of representatives from the Governing Body, Senior Leadership Team, Business & Finance Team and school staff will meet every term to discuss any Health and Safety issues. This Committee will provide a forum for consultation with regard to all Health and Safety matters related to the school and its activities. This meeting will form part of the Finance & Resources Committee.

Please see Terms of Reference for the Finance & Resources Committee in **Appendix 3**.

3) Arrangements for Health and Safety

These arrangements deal with how the functions allocated to individuals are carried out.

- The school will develop through its Health and Safety organisation a systematic program of risk assessments to control the risks from all of its activities and operations.
- Outcomes of risk assessments will be used to formulate safe systems of work and other control measures.
- Documentary records will be maintained of all risk assessments, safe systems of work and other control measures.
- All Health and Safety information will be made available to everyone who has due cause to have knowledge of it. The information will be available through the Head Teacher, Business & Finance Support Team, Heads of Department or accessed on the T:Drive in the Health and Safety folder.

4) Fire

Emergency exits and assembly points are clearly identified by safety signs and notices. An annual Fire Risk Assessment of the premises is carried out by Denbighshire County Council and can be viewed in the school's fire file, located on the fire panel.

Emergency evacuations are practiced at least once a term and logged in the school's fire file.

Fire alarm testing and fire-equipment checks are carried out weekly and logged in the school's fire file, next to the Head Teacher's office.

The school will have a 'Personal Emergency Evacuation Plan' in place for those with additional needs, which can be found in the fire file. These are reviewed annually or as is required.

For further information or guidance, please refer to the school's fire file which is located on the fire panel, next to the Head Teacher's office. Please see **Appendix 4** for the school's 'Rules In The Event of Fire' procedures, and **Appendix 1** detailing the summary of all fire related inspections, audits and monitoring. All information and guidance can also be accessed on the T:Drive in the Health and Safety folder.

5) Lockdown

Emergency evacuations are practiced at least once per academic year.

For further information or guidance, please refer to the school's 'Lockdown Procedures Policy' as is referenced on the contents page.

6) First Aid

The school has arrangements in place for the provision of First Aid during the working hours of the school week. In any instance where First Aid is required, staff should follow the First Aid and Illness Procedures (Appendix 5).

First Aid boxes and equipment are located at various locations around the school site and are clearly identified (**Appendix 5**). This equipment will be regularly replenished as necessary by the designated person.

There will be a sufficient number of First Aiders on site at all times. All appropriate training and qualifications will be kept up to date and monitored regularly. Please see **Appendix 5** for list of current First Aiders.

7) Welfare

7.1) Sun Protection

During Summer months, or when prolonged exposure to the sun is expected, all parents / guardians are advised to provide sun cream and a sun hat for pupils / students to wear whilst outside.

Pupils / students will be expected to apply their own sun cream prior to coming to school. Sun creams can be brought to school for pupils / students to apply more if necessary.

School staff are not permitted to apply sun cream to any pupils / students.

7.2) Transport

Only transport where seatbelts are provided will be used by the school. Pupils / students will be instructed to use seatbelts at all times.

7.3) Managing Healthcare Needs

For further information or guidance, please refer to the school's 'Managing Healthcare Needs Policy' as is referenced on the contents page.

8) COSHH

Schools are required to control hazardous substances, which can take many forms, including:

- Chemicals
- Products containing chemicals
- Fumes
- Dusts
- Vapours
- Mists
- Gases and asphyxiating gases
- Germs that cause diseases, such as leptospirosis or legionnaires disease.

Control of substances hazardous to health (COSHH) risk assessments are completed by the relevant Health and Safety Co-Ordinators (Technicians), Business & Finance Support Team and Caretaking Team, and to all employees who work with hazardous substances. Staff will also be provided with protective equipment where necessary.

Our staff use and store hazardous products in accordance with instructions on the product label. All hazardous products are kept in their original containers, with clear labelling and product information.

Any hazardous products are stored in locked store rooms and are disposed of in accordance with specific disposal procedures.

Please refer to individual COSHH risk assessments for further information which can be on the T:Drive in the Health and Safety folder.

9) Lone Working

Lone working may include: ▪

Late working

- Weekend working
- Caretaker duties
- Working in a single occupancy office

Potentially dangerous activities, such as those where there is a risk of falling from height, will not be undertaken when working alone. If there are any doubts about the task to be performed then the task will be postponed until other staff members are available.

If lone working is to be undertaken, a colleague, friend or family member will be informed about where the member of staff is and when they are likely to return.

The lone worker will ensure they are medically fit to work alone.

For more information, please refer to the 'Lone Working Procedures Policy' as is referenced on the contents page.

10) Working at Height

We will ensure that work is properly planned, supervised and carried out by competent people with the skills, knowledge and experience to do the work.

In addition:

- Pupils / students are prohibited from using ladders
- All site ladders will be retained in locked store rooms
- Staff will wear appropriate footwear and clothing when using ladders
- Before using a ladder, staff are expected to conduct a visual inspection to ensure its safety.

For more information, please refer to the school's 'Working from Height' risk assessment and 'A Guide for Denbighshire School Caretakers' document, as is referenced on the contents page.

11) Manual Handling

It is up to individuals to determine whether they are fit to lift or move equipment and furniture. If an individual feels that to lift an item could result in injury or exacerbate an existing condition, they will ask for assistance.

The school will ensure that staff receive basic manual handling training.

For more information, please refer to the school's 'Manual Handling' risk assessment and 'A Guide for Denbighshire School Caretakers', as is referenced on the contents page.

12) Off-Site Visits

When taking pupils / students off the school premises, appropriate risk assessments should be completed and procedures followed in accordance to the Educational Visits Policy. For more information and guidance, please refer to the school's 'Educational Visits Policy' as is referenced on the contents page.

13) Lettings

This Health and Safety Policy applies to those who hire any aspect of the school site. For more information, please refer to the 'Lettings Policy' as is referenced on the contents page.

14) Violence at Work

We believe that staff should not be in danger at work, and will not tolerate violent or threatening behaviour towards our staff.

All staff will report any incidents of aggression or violence (or near misses) directed to themselves to the Head Teacher, senior member of staff, line manager or Governing Body immediately. This applies to violence from pupils / students, visitors or other staff.

15) Smoking & Vaping

In accordance with the Welsh Government's 'Smoke-Free Premises and Vehicles (Wales) Regulations 2020', smoking and vaping is not permitted anywhere on the school site.

16) Infection Prevention and Control

The school follow the guidance published by Public Health Wales and Denbighshire County Council when responding to infection control issues. The school will encourage staff and pupils / students to follow good hygiene practice, as is

documented in the school's 'Infection Prevention and Control Plan' as is referenced on the contents page.

For more information, please refer to the school's 'Infection Prevention and Control Risk Assessment' which is located in the Health and Safety file held in reception.

An annual Infection Prevention and Control audit will be carried out where procedures are reviewed and standards assessed. These audits can be found in the Health and Safety file held in reception.

17) New and Expectant Mothers

As per the Denbighshire County Council 'Parental Policy', risk assessments will be carried out whenever any employee notifies the school that they are pregnant. These risk assessments are kept on personal HR files and electronically.

For more information, please refer to the Denbighshire County Council 'Parental Policy' as is referenced on the contents page.

18) Occupational Stress

We are committed to promoting high levels of health and wellbeing and recognise the importance of identifying and reducing workplace stressors through risk assessment. Systems are in place within the school for responding to individual concerns and monitoring staff workloads.

Access to the Denbighshire County Council 'Employee Assistance Programme' is available to all school staff. This is a free of charge service which provides support and guidance of occupational health and wellbeing. For more information please refer to the Denbighshire County Council intranet or HR Department.

For additional information and guidance, please refer to the Denbighshire County Council 'Procedure – Attendance at Work' document as is referenced on the contents page.

19) Accident Reporting

All accidents, injuries, incidents, near misses and complaints will be reported on a Denbighshire County Council 'Accident / Incident Reporting Form'. These forms are available from reception or the Ganolfan, and is attached to this Policy as **Appendix 6**.

As much information as possible will be entered onto the forms to enable investigation and analysis of data. A record of these reports will be held in the

'Accident / Incident Reporting' file and will be retained by the school for a minimum of 3 years, before being securely disposed of.

All reported accidents, injuries, incidents, near misses and complaints will be investigated to an appropriate level with a view to learning from them.

Incidents will be reported to the HSE as defined by the "Reporting of injuries diseases and dangerous occurrences regulations" (RIDDOR).

20) Training

Staff will be provided with Health and Safety training as part of their induction process, and annually thereafter. All staff upon attending training must complete and sign the 'Health and Safety Awareness Training' GoogleDocs form, a copy of this can be found at the front of the Health and Safety file.

Staff who work in high risk environments, such as with pupils / students with additional learning needs (ALN), are given additional training as and when required. All staff upon attending training must sign the 'Health and Safety – Additional Training Record', which is located at the front of the Health and Safety file.

21) Monitoring

The effectiveness of the Health and Safety Policy and the standards of Health and Safety achieved in the school will be actively monitored. Policy issues will be discussed during the Finance & Resources Committee meetings, teaching and support staff meetings to identify whether the Policy is being effectively pursued and whether satisfactory standards of safety performance are being achieved.

Health and Safety tour:

- Formal planned safety tours of the school and its activities will be programmed to take place every term.
- The inspection team will consist of the Head Teacher, members of the Governing Body and representative from the Business & Finance Support Team.
- The tour will not aim to cover the whole estate in one attempt, however all areas will be covered within a twelve month period.
- The tours will be recorded and an action list drawn up that identifies actions required, action owners, resources required and time scales. Actions will take the form of immediate remedial actions and longer-term actions aimed more at dealing with root causes.
- Outstanding safety related actions will be stored in a way that enables easy access and prioritisation.

Informal safety inspection:

- On a daily basis all teaching and support staff will identify Health and Safety issues that require action.
- Staff will report all significant issues to the Head Teacher or senior member of staff.
- Where necessary school activities will be halted to prevent unreasonable risk to the Health, Safety and Welfare of anyone who may be affected by the activities.

Health and Safety Inspection, Audit and Monitoring Summary:

- The school will have a 'Health and Safety Inspection, Audit and Monitoring Summary' document, detailing both the action and frequency of all inspections, services, and audits for the site (**Appendix 1**).

Staff meetings:

- Health and Safety will be on the agenda of each staff meeting. Staff will be free to discuss any issues they have.

Support staff meetings:

- Health and Safety will be on the agenda of each support staff meeting. Staff will be free to discuss any issues they have.

Pupil / Student information:

- Pupils / students will be made aware of the requirement for creating and maintaining a safe and healthy school environment. Pupils / students will be encouraged to participate in feeding back and supporting Health and Safety issues.

Review

This Policy will be reviewed annually or sooner as appropriate. Earlier reviews will occur if there are any significant changes to the school circumstances.

Policy Version:

This policy was agreed by Ysgol Brynhyfryd Governing Body October 2022
